### Description

L170

The L170 is available in two versions. We offer a commercial version and a version with a unique bracket, specially designed for mounting with leisure Lifebuoys. Both versions are fully SOLAS approved and differ only in the bracket supplied. Both brackets are designed for easy fitment.

\*Remember to order your L170 Commercial mounting plate to ensure easy fixing when replacing your L16\* Lifebuoy Light, if that light had been fitted with the L16\* Adapter Plate. Note the L170 Adapter Plate is only for use with the L170 Commercial Lifebuoy Light.
